**Daihatsu Releases Special Models of the Hijet Cargo Mini Commercial Vehicle
“Limited” Feature Unique Body Colors and Enhanced Anti-rust Performance**

Hijet Cargo Cruise Turbo Limited

On Friday, December 5, Daihatsu Motor Co., Ltd. (“Daihatsu,” hereafter) will introduce and launch “limited” special models of the Hijet Cargo mini commercial vehicle in Japan.

Three grades have been established for the “limited” special models, namely Deluxe, Cruise and Cruise Turbo.

The stylish exterior includes unique body colors, a plated front grill and top shade glass (blue), while full fabric seats with a water repellent finish have been employed throughout the vehicle. Moreover, the seat surfaces and door trim have been made a uniform black which, along with other enhancements, produces a chic interior with refined texture.

In addition, Daihatsu has introduced a 3-year warranty for rust on the body surface and 5-year warranty for perforated rust on the outer plates of the body, setting a reasonable price while offering a unique* long-term warranty in the minicab truck class.

* As of December 2014, data by Daihatsu.

Features of the “Limited” Special Models

1) Stylish Interior and Exterior

- Cruise and Cruise Turbo models come with plated front grill
- Top shade glass (blue)
- A total of seven body colors available, including three unique body colors of Blue Mica Metallic, Tonico Orange Metallic and Offbeat Khaki Metallic, plus Black Mica Metallic, Bright Silver Metallic, White and the optional extra Pearl White (except Deluxe).
- Silver meters and center cluster
- Full fabric seats with water repellent finish used for all seats
- Uniform black on seat surfaces and door trim to produce chic interior with refined texture

2) Long-term Anti-rust Warranty Unique in the Minicab Truck Class

- Both warranties extended to 3-year warranty for rust on the body surface and 5-year warranty for perforated rust on the outer plates of the body

3) Improved Ease of Use and Safety

- Trunk LED lamp fitted in Cruise and Cruise Turbo models
- All models fitted with ABS
