

Daihatsu Launches New Special Edition Model of TAFT Mini Crossover

Addition of new body colors further strengthens the product appeal of base models

G “Dark Chrome Venture”

Daihatsu Motor Co., Ltd. (hereinafter “Daihatsu”) has added a new special edition model, Dark Chrome Venture, to the TAFT mini crossover. In parallel, base models of TAFT have been partially upgraded. For these models, a nationwide launch is set for September 21, 2022.

The mini crossover models of the TAFT released in 2020 had been designed under the concept “Tough & Almighty Fun Tool” that seeks to be a partner that can be actively used in both everyday and leisure scenarios and that makes daily life more enjoyable. A wide range of customers use them in their daily lives and for leisure. In addition to the well-received special edition Chrome Venture launched in May 2021, a new special edition model, Dark Chrome Venture, has been launched. It comes with dark black plating and gun metallic color with black mica metallic decorations that give a more distinctive impression of toughness. In addition earth colors, three new colors have been added for both special-edition and base models, including Ceramic Green Metallic, Chrome Gray Metallic (image of strength) and Laser Blue Crystal Shine*¹. Moreover, the convenience of the equipment has been enhanced with a new 9-inch smartphone-linked audio display that supports voice recognition and wireless connection*¹. Optimized engine control has improved the fuel efficiency. All models meet the FY2020 fuel efficiency standard and the 75% of the FY2030 fuel efficiency standard, and all TAFT models are eligible for an eco-car tax break and tax incentives for environment-friendly vehicles.
