## **Daihatsu Motor Co., Ltd. to Exhibit its Welfare Vehicles, Including New Model Tanto, at Welfare 2014**

Daihatsu Motor Co., Ltd. (hereinafter Daihatsu) plans to exhibit six units of four types of vehicles, including its new model Tanto, at the 17th International Welfare and Health Industry Exhibition: Welfare 2014. This is the largest exhibition of its kind in the Chubu region, and will be held at Port Messe Nagoya (Minato-ku, Nagoya) between Friday, May 23 and Sunday, May 25.

This time, Daihatsu will exhibit six units of vehicles that are highly requested by customers, including the new model Tanto, a wheelchair accessible vehicle, and custom model vehicles with passenger seat lift. Daihatsu's exhibition will happen in a space of 324 m<sup>2</sup>, which has been expanded from 270 m<sup>2</sup> in the previous exhibition, as part of Daihatsu's measures to reinforce its welfare vehicles project, which has been promoted since last December. There will also be a demonstration on the vehicle's operability, which will be performed by a professional communicator, to clearly describe the vehicle's features and improvements. The outline of the "Friendship Shop"\*, which has been the focus of Daihatsu distributors across Japan, will also be introduced through videos and panels.

◆The following items will be exhibited:

The Tanto Sloper, a new model welfare vehicle that is wheelchair accessible and provides comfortable and easy boarding/deboarding by making the most of Tanto's spacious interior and its large Miracle Open Door; the Tanto Welcome Seat with a passenger seat lift; the Move Front Seat Lift, which won the Special Achievement Award at the 2013-2014 Car of the Year Japan Award; and the Atrai Sloper.
