**Daihatsu Mini Passenger Vehicle CAST
Launch of CAST SPORT Equipped with Dedicated Suspension**

CAST SPORT "SAIL"

Daihatsu Motor Co. Ltd. will launch CAST SPORT nationwide on Thursday, October 29. This vehicle, one of the three variations of the mini passenger vehicle CAST, offers a sporty design and features.

The main concept behind the CAST is "making life colorful with the desired specifications", and it seeks to satisfy the needs of users who emphasize individuality. This vehicle delivers high quality and sports an attractive design that is universally appealing.

Daihatsu delivers affordable pricing through velopping de its three variations: the ACTIVA, STYLE, and SPORT. at the same time to satisfy the needs of various users.

The CAST ACTIVA and CAST STYLE were released on Wednesday, September 9. Both vehicles have made a strong start, with orders already passing 20,000 units within their first month of release. This level of orders is four times the original sales target.

The CAST SPORT features a red accent on the exterior and a sporty interior design. It is equipped with the suspension tuning developed for the COPEN, offering high steering stability. In addition, it also comes with SPORT-specific items, such as a MOMO leather-wrapped steering wheel and 16-inch aluminum wheel*¹. With a wealth of outstanding features, the CAST SPORT is offered at the affordable price of 1,620,000 yen*².
