

**Regarding the Publication of the Verification Results of Standard Conformity of
the Road Transport Vehicle Act for Daihatsu MOVE CANBUS, Daihatsu Rocky (HEV),
Toyota RAIZE(HEV) and others by MLIT**

Daihatsu Motor Co., Ltd. would like to again convey its sincerest apologies for the great inconvenience and concern has caused by the procedural irregularities in certification application to numerous stakeholders.

Today, the Ministry of Land, Infrastructure, Transport and Tourism (MLIT) announced that it has lifted its instruction to suspend shipments of three models as follows, as it has been confirmed that the vehicles comply with the standards of the Road Transport Vehicle Act based on the results of testing with the certification authorities in attendance and other reasons.

With the results, the confirmation of standard conformity for all current models* has been completed, and the instruction to suspend shipments has been lifted.

We will work closely with our suppliers and sales companies, and as soon as preparations are ready, we intend to resume production and shipment.
