## Exhibit its Welfare Vehicles at Welfare 2015

Daihatsu Motor Co., Ltd. (hereinafter Daihatsu) plans to exhibit its mini welfare vehicles, at the 18th International Welfare and Health Industry Exhibition: Welfare 2015. This is the largest exhibition of its kind in the Chubu region, and will be held at Port Messe Nagoya (Minato-ku, Nagoya) between Thursday, May 21 and Saturday, May 23

In December, 2013, in response to the growing interest in the aging population and welfare society, Daihatsu announced that it will establish a sales system of welfare vehicles with the perspective of dealerships, test vehicles, and sales staff.

Mini welfare vehicles of Move and Tanto, upgraded new model with equipped Smart Assist II, advanced easiness and safety function, in April 2015, and other seven units of five types of mini welfare vehicles, will be exhibited in Welfare 2015.

The outline of the “Friendship Shop”\*, which has been the focus of Daihatsu distributors across Japan, will also be introduced through videos and panels.
