Daihatsu mini commercial vehicle

Daihatsu Motor Co., Ltd. to launch limited edition HIJET Cargo

HIJET Cargo Cruise Turbo "Limited"

Daihatsu Motor Co., Ltd. (hereinafter Daihatsu) will launch new limited edition versions of the HIJET Cargo mini commercial vehicle and the HIJET Truck mini commercial vehicle with improved specifications of the manufacturer's options nationwide simultaneously on October 3.

Daihatsu has made three grades available for the new limited edition versions: Deluxe, Cruise, and Cruise Turbo. These versions feature stylish exteriors, including exclusive body colors and plated front grills*¹, and a high-quality, chic interior with a waterproof, full-fabric seat for all seats, as well as seat upholstery and door trim, both of which are uniformly colored black. In addition, this limited edition is available at a affordable price and comes with a long-term guarantee: three-year guarantee for rust on the surface of outer body panel and five-year guarantee for rust holes in the outer body panel. Likewise, some changes have been made to the specifications for the Deck Van, a specialty model series of the HIJET Cargo, to make them more affordably priced.

Daihatsu improved some of the manufacturer's specifications of the HIJET Truck mini commercial vehicle. The company changed the content of the Color Selection Package, adding urban night blue crystal metallic and muscat green metallic*². It also improved the quality of the interior, such as a affordable price silver decorations to the audio/heater control cluster of the instrumental panel.

*1: Only for limited edition versions of the Cruise and Cruise turbo.

*2: A total of nine colors can be selected: white, which is the standard color, and the eight colors available in the Color Selection Package.
