

Daihatsu upgrades Altis passenger vehicle

Altis G

Daihatsu Motor Co., Ltd. (hereinafter “Daihatsu”) has upgraded its Altis passenger vehicle. The updated model goes on sale nationwide today, August 1, 2022.

The Altis was first launched as an OEM vehicle manufactured by Toyota Motor Corporation in March 2000. The upgrades include the addition of a new body color, Emotional Red III.*¹

Based on its “Light you up” approach, going forward, Daihatsu will continue to provide optimal mobility to every one of its customers, and cater to their needs via its extended range of mini and compact vehicles.
