

Advanced Release of Information on New TANTO with Improved Product Appeal and TANTO FUN CROSS with New Individuality

TANTO CUSTOM RS

TANTO FUN CROSS TURBO*¹

Daihatsu Motor Co., Ltd. (hereinafter “Daihatsu”) announced today that it has released information on its website and started to accept advanced orders for the new TANTO*² as well as the new TANTO FUN CROSS*² model that showcases its fun and activeness. Sales are scheduled to begin in the fall of 2022.

The TANTO was launched in 2003, establishing a new category of extra-space mini vehicles. It has since adopted the Miracle Open Door with built-in pillar, the first mini vehicle to do so*³, and double-sided Power Sliding Doors in subsequent models, becoming a core model for Daihatsu that has been well received by a wide range of customers. In 2019, it was launched as a high-quality vehicle at an affordable price that meets the needs of all customers as part one of the Daihatsu New Global Architecture (DNGA), the company’s next-generation approach to creating cars.

In the new TANTO, the Front Face of the TANTO CUSTOM has been significantly changed to express mature quality and refinement with a tremendous impact. In conjunction, the new TANTO FUN CROSS model will be added to the growing market of active extra-space mini vehicles as an active vehicle that goes beyond the everyday and allows people to spend time in a fun way.

Information about the new TANTO and TANTO FUN CROSS is available on the official website:
