

Production Begins for COPEN Special Edition Vehicle, 20th Anniversary Edition

(Sales have ended as the number of limited production units has been reached through advanced orders)

20th Anniversary Edition

Daihatsu Motor Co., Ltd. (hereinafter “Daihatsu”) announced today that it will begin production of the COPEN 20th Anniversary Edition (1,000-unit limited production) on September 1, following its announcement on June 19.

The special edition vehicle has been well received by many customers. The number of orders reached the 1,000-unit production limit on June 24 and the vehicle is now sold out. Daihatsu expresses its sincere appreciation to all customers who ordered the special edition vehicle and apologizes to those who were unable to purchase the vehicle due to the discontinuation of orders.
