

Notice Regarding Resumption of Production and Shipment of
Daihatsu ROCKY (gasoline vehicle), Toyota RAIZE (gasoline vehicle), SUBARU REX

Daihatsu has determined to resume the production of these 3 models (Daihatsu ROCKY (gasoline vehicle), Toyota RAIZE (gasoline vehicle), SUBARU REX) on March 18, in light of that the Ministry of Land, Infrastructure, Transport and Tourism (MLIT) confirmed that 3 models comply the standards of the Road Transport Vehicle Act based on the results of testing with the certification authorities in attendance and other reasons on February 16. (Shipment of unshipped vehicles will resume on March 4.)

To the customers who have loved these models and waited patiently for their delivery, and to our suppliers, sales companies, and other related parties, we would like to offer our sincerest apologies for any inconvenience and concern we may have caused.

We will continue to take necessary measures as instructed by MLIT, such as performing testing with the certification authorities in attendance. We intend to resume production and shipment of those models for which MLIT has lifted its instructions to suspend shipment, as soon as preparations are ready.

And we will do our best to ensure these models reach our customers as soon as possible, while reaffirming our commitment to prioritizing safety and quality.
